## Governor's Message

*New Orleans - a great city!*

Sue Petrisin

Over 300 Michigan Kiwanis members and guests attended the International Convention in June and participated in workshops, House of Delegates, the building of a playground at the Kingsley House and experienced the Mardi Gras City. Check the Kiwanis International website [www.kiwanis.org](http://www.kiwanis.org) for full results of the balloting for elections, amendments, bylaws and resolutions.

Aug. 15-18 - Radisson Hotel - Lansing Center - 2 blocks from the State Capitol. It's time for District Convention. The weekend where we celebrate the successes of the year, honor our clubs, elect future leadership, learn new ideas and make new friends. Convention Chair Chuck Kincaid and the Lansing committee have planned everything down to the smallest detail. See you there!

August also brings the Annual "Service Club Day" at the Michigan State Fair. This year's "Service Club Day" is Wednesday, August 21. Each year service clubs are invited to participate in a 5pm Parade and a 6:30pm Program to present information regarding their organization and recognize a "Special Person of the Year". This year, Les Turner, our Kiwanis International Foundation District Chair will be recognized. Les, a member of the Kiwanis Club of Holt, is one of many long-time Kiwanis members who have dedicated themselves to the Kiwanis ideals. Plan to join us on August 21 at the Michigan State Fair. Bring your banners to carry in the Parade.

It'll soon be transition time in your club and for the world of Kiwanis as we end one and begin another administrative year. Governor Elect George and I, and our Teams, have been working hand-in-hand to ensure a smooth transition. We hope that your club leadership has taken the opportunity to do the same. As we continue to "Serve the Children of the World", remember to stay "In Touch With Kiwanis".

## Perspective — A Message from the Governor-Elect

Are you ready for the 2002-2003 administrative year? In the next couple of months, we have to be sure we are ready.

Each Kiwanis Club should have its officers elected and reported to the District Office. The Lt. Governors-Designate have just completed their third training session. District committee chairs have been appointed and trained for their important roles. A lot has been accomplished for another successful year for the Michigan District, but much more needs to be done. Of most immediate concern is the training of incoming club officers. The appointment of club committee chairs and the goals set for your club needs accomplishing also.

Getting set for the challenging year that now faces us involves a lot of training at every level of our District.

George L. Brown

Every Kiwanian needs to know who we are, what we stand for and our mission.

Another very important aspect of training and preparation is new member orientation. We have many clubs that are below charter strength. Have you called Maria Ciavarella our District New Member and Orientation

Chair? Maria is always willing and eager to support you with your membership recruitment and orientation.

Getting properly set for the new administrative year means having enough members so that the club has the member power to do all things a Kiwanis Club should do.

Membership recruitment should be near the top of the agenda as we approach the beginning of another year.

Are we ready, are we set, because before you know it, it will be time to go.

## Rick's Outlook — A Message from the Executive Director

### International Convention

As seen below smiles abound as Kiwanis members of the Michigan District relax from the frantic pace of any International Convention with New Orleans being no exception. The election

Richard

show 102 clubs represented by 169 total delegates. Many issues were decided by this body and a copy of the results has been sent to the club secretaries.

### Board Meeting

Your District Board held its regular scheduled meeting June 1st at the District Office and received committee reports

on Finance, KIF, Education, New Club Building and Membership. Approved New District Policies: "District Office Personnel Paid Sick Leave", "Education & Club Development", "District Event Sponsorship" and amended "Campaign Ethics-Policy and Procedure". Approved a procedure change that the Rating Plan will be posted on the District Web site only and not published in the "Builder". Announced Les Turner (KIF District Chair) as Service Person of the Year to be recognized at the Michigan State Fair on August 21, 2002. Approved several fund raising events by the Michigan Foundation, Kiwanis Club of Hell, and the Circle K of Michigan Foundation. The complete text of the Board Minutes is on file in the District Office.

committee reported 4,688 delegates, 451 at large delegates for a total of 5,139 delegates representing 3,028 clubs. The Michigan District preliminary figures

# I'm the One

I'm the one who was asked to join your organization. I'm the one who paid his dues to join. I'm the one who stood up in front of you all and promised to be faithful and loyal. I'm the one who came to your meetings and no one paid attention to. I tried several times to be friendly to some of the members, but they all had their own buddies they talked and sat next to. I sat down several times but no one paid attention to me. I hoped very much that somebody would have asked me to take part in a fund-raising project or something, but no one saw my efforts when I volunteered.

I missed a few meetings after joining because I was sick and could not be there. No one asked me at the next meeting where I had been. I guess it didn't matter very much to the others whether I was there or not. The next meeting I decided to stay home and watch TV. The following meeting, no one asked me where I was when the last meeting was held. You might say I'm a good individual, a good family person who holds a responsible job, loves his community, and his country. You know who else I am? I'm the one who never came back.

It amuses me when I think about how the heads of the organization and the members were discussing why their organization was losing members. It amuses me now to think that they spent so much time looking for new members, when I was there all the time. All they needed to do was to make me feel needed, wanted, and welcomed.

## Kiwanis Resources

### Rebuilding a small club

Kiwanis International now has material available that can help small clubs seeking to rebuild membership.

"Rebuilding a Small Club" is the topic of the first program being released in the Kiwanis Membership Growth Revolution Services.

### Marketing Tips

First decide what is your club's priority: membership growth or image enhancement.

Then go to [www.kiwanis.org](http://www.kiwanis.org) and click on Public Relations or call Kiwanis International education department for more information. There is a section full of marketing tips for your club.

## \*\*\* CLUB RATING PLAN NOW POSTED ON DISTRICT WEB SITE: [www.michigankiwanis.org](http://www.michigankiwanis.org) \*\*\*

At the June 1st Board meeting the Trustees (Division Lt. Governors) voted to remove the Club Rating Plan from the "Builder" and place it on the District web site. The entire "Builder" is also available for viewing on the web site a week or two before you receive it by snail mail along with other valuable information such as on-line District Convention registration. Also look for the Fall Leadership conferences to be offered as an on-line registration process this year.

## KIWANIS OF MICHIGAN FOUNDATION SCOREBOARD

The Kiwanis International Convention is over and many of us are busy getting ready for our Michigan District Convention in Lansing. **Be sure and visit the KMF Hospital Project Representatives at their display, and learn how your financial support is used.**

**SPECIAL RECOGNITION:** Thanks to the Ludington and Wyoming-Southkent Clubs for donations to provide special car seats for youth patients discharged from Mary Free Bed Rehab. Center. It would be a tragedy for a patient to be further injured going home from the hospital.

**HAPPY BIRTHDAY.** Kiwanis Clubs will have been supporting hospitalized children for 80 years on September 22, 2002, the anniversary of the Forney Clement Project at U of M Children's Hospital. Dana Kremm, Director Child Life Services, Mott Children's Hospital, has visited 80 Kiwanis Clubs during the past year. If she didn't get to your club, be sure to visit her at the Convention Exhibit Area.

**MORE BIRTHDAYS.** This year is also the 25th Anniversary of the Herman H. Meyer Project at Northern Michigan Hospitals, Petoskey serving over 66,000 persons in northern Michigan. Many local volunteers are making special quilts for every child hospitalized at NMH. Cloth and fabric scraps are needed. Send to NMH or bring them to the Lansing Convention for Anne Heier. Get rid of your old neckties and help kids!

**THANKS BATTLE CREEK.** The Battle Creek Kiwanis Club made carved Christmas ornaments and sold them. Proceeds for KMF Projects.

**GOOD LUCK DIV. 11 AND 12.** The August 1st Golf Outing is over by publication time, but my thanks to all worked on this event. KMF appreciates your donations from this event to help our hospitalized children projects.

Come visit your KMF Trustees at our Convention Display. Don't forget to bring "things" for Governor Sue's **IN TOUCH WITH KIWANIS** Project.

## Are You Looking For Something New?

"Young Children Priority One" has five new organizations that would like to work with local Kiwanis Clubs.

**Kids 'N Cars** - This organization would like to work with local Kiwanis clubs to promote the dangers of leaving children alone in-or around-cars, trucks, or vans.

**I Like Me!** - This program creates partnership among parents, community leaders, and educators as a labor of love to help children see themselves as responsible, worthy young citizens.

**The Phonics Phone** - The CANDL Foundation sells the phonics phone for use in classrooms where children are learning their phonics. The device helps a child hear exactly what sound he or she is producing.

**Safe Sitter** - This organization has provided training for baby sitters for more than 20 years and now has trainers in more than 850 locations. Clubs can sponsor training sessions.

**Fingersafe USA** - This company sells a product that protects children from crushing their fingers on the hinge-side of a door. Information on the above programs will be available at the District Convention in Lansing in August or by calling Clarence Harder home (248) 589-1748 or by email [Cjharder@home.mesn.com](mailto:Cjharder@home.mesn.com).

# Attention!

## Misconceptions & Errors Equals No Points for Your Club's Monthly Report!

**T**here is confusion and misunderstanding in what Kiwanis services and projects really qualify for credit on your "Official Monthly Reports" that each Club sends monthly to the Michigan District Administrative Secretary. ALL of our Kiwanis projects which benefit individuals in our communities are HUMAN ORIENTED. However, there must also be a spiritual element or spiritual emphasis to qualify for the 15 points in the "HUMAN and SPIRITUAL VALUES" section on your "OFFICIAL MONTHLY REPORT". Please check your entries to be sure your Club's report really contain a spiritual context or entity.

Thank You!

Jim Schindler, District Chair  
Human & Spiritual Values Committee

Editor's Note: [www.kiwanis.org](http://www.kiwanis.org) has a list of worthy human and spiritual value projects.

# Letter to the Editor

June 27, 2002

Dear Fellow Kiwanians,

I have been in Kiwanis 28 years with perfect attendance. Four of those years have been as president of two different clubs. I have also volunteered on many club projects. With my wife's help and 3 or so members left in the club got another club reactivated after it had been on non-meeting status. That was their 40th anniversary year, and it is still going strong.

When a Kiwanis member gives of their time and money and volunteers to attend a State or International Convention, I feel that their club should appreciate their offering to represent them by paying the full bill, if the club is large enough. If not as large, they could pay half of the bill. The clubs I've belonged to, all except one, have paid from \$300 to \$600.

If there are any clubs that believe they should not support their delegates, they have no right to complain if their delegate votes as he/she wishes, instead of the way the club desires.

I'm sorry that there are Kiwanis Clubs that don't feel their delegates are worthy of their support.

Yours for a better Kiwanis,

(Note: Edited for length.)

M.G. Chapman  
Past President

## Plucked from Club Newsletters

### Golden K Members Lend a Hand to Mason Resident

Fair City Golden K Kiwanians donated time, materials, and talents to construct a porch and wheelchair ramp at the Bill and Pat Callhan residence. Both Callhans due to recent medical complications were in need of a wheelchair ramp and the Fair City Golden K club came to the rescue. Raising half the funds needed and donating their time, the whole project was completed on time. Nearly 100 hours of Kiwanis members time was spent in completing the project.

### The "Clean Team"

On Saturday, May 18, Warren Kiwanis members, Dick Aurand, Bob Setera, Chuck Anglin, Wally Bieber, Jim Gaffke, and Rich Smutek swept and tidied up Austin-Dannis Park in Warren. However, the Kiwanians weren't the only ones helping. Four students from the Bishop Foley Key Club came to help out their sponsoring Kiwanis club.

Freshmen Amanda Lacey, Katelynn Bieber, Lindsey Stabryla, and Junior Lindsey Bieber all came out for some fun in the sun. Actually, the weather called for jeans, sweatshirts, and hats, but the girls enjoyed themselves nonetheless.

After a couple hours of walking around the perimeter and picking up trash with the equipment provided by Warren Parks and Recreation the girls found renewed joy on the jungle gym. "It was fun cleaning up the park, but my favorite part was playing on the playground! I haven't done that in so long!" commented Lindsey Bieber.

It wasn't long before the team of ten had the park sparkling clean. Afterwards, the crew barbecued hot-dogs and other goodies to celebrate their success. This is definitely a good example of the K family.
