2002-2003 Governor and Governor-Elect

Search Out Service

Thank you for your vote of confidence at the delegate session in Lansing. This is a great privilege that you have bestowed on me. I will make every effort to fulfill the office of Governor. I would like to express sincere appreciation to Governor Sue and her team for all their dedication and hard work during the 2001-2002 year. I appreciate the support, guidance and the opportunities that I have been given. These opportunities have given me a much better knowledge of the challenges we face for this year. This can only benefit the new team as we enter this new administrative year. Yes in deed we are "In Touch With Kiwanis."

We have an outstanding team of Lieutenant Governors and District Chairs, who will assist in leading the Michigan District to meet its goals. A resolution in support of these District goals was passed at the District convention and now our goals are established. By establishing these goals, Kiwanians and Kiwanis Clubs pledge their support for the successful achievement of a net gain of 2 new members per club, quality orientation and

George L. Brown

Delegates to the 85th Michigan District Convention at the Lansing Center elected George L. Brown of the Whitmore Lake Kiwanis Club to serve as our 2002-2003 District Governor and Charles F. "Chuck" Nagy of the Utica-Shelby Twp. Kiwanis Club to serve as our Governor-Elect.

George has been a member of Kiwanis for over 30 years. He has served as Club President, Lt. Governor of Div. 5, on several District Committee Chairs, including New Club Building, Membership Growth, and Achievement. George has been the Builders Club Administrator, Assistant Key Club Administrator, and Circle K Administrator, and most recently before being elected to serve as the 2001-2002 Governor-Elect was Key Club Administrator for six years.

George has been happily married to Joan for over 38 years. They have 2 children, Charlene and Michael and two granddaughters Katherine and Emily. He retired in 1999

from a large family owned tooling company involved in automobile and the aircraft industry, where he toiled as a project manager. Chuck Nagy also has a long history of Kiwanis involvement. With over 26 years membership in the Utica-Shelby Township Kiwanis Club, he served in every club capacity. Chuck also served the District as a Distinguished Lt. Governor, WSP/IDD Chair and Membership Growth Chair. Chuck is President of Nagy Ready Mix Inc. He and his wife Rose reside in Troy.

Chuck Nagy

Both George and Chuck, along with a committed Board of Trustees chosen as Lt. Governors of each Division by you, and a group of District Chairs chosen by Governor George, ask you to join them and "Search Out Service" thus ensuring the International and District goals are accomplished.

Immediate Past Governor Shares Memories

I still remember with vivid pleasure how proud and thrilled I felt when I was introduced as the Governor for the 2001-2002 year. Thank you for the honor and privilege to serve with the best - the members and friends of the Michigan Kiwanis Family.

A successful Kiwanis year is the result of many who give of their hands, heads, and hearts. Thank you Michigan Kiwanians for a successful year. Thank you for your present

Perspective — A Message from the Governor-Elect

I just returned from our recent convention held in Lansing. Thanks goes to convention chair Chuck Kincaid and his committee for an outstanding convention. The convention is an opportunity to meet new friends and renew old friendships that I truly treasure. If you did not attend the convention it will be difficult for you to understand how mingling among Kiwanians uplifts and renews my spirit.

The highlight of the convention for me was that I was elected Governor-Elect. I am truly humbled and appreciative of the support that I received from all of you. I'm also looking toward the future — my wife Rose and I will be doing everything we can to help Governor George in making his a most successful year.

At the convention, Past Governor Sue told of our many successful accomplish-

Chuck Nagy

ments this past year. Governor George let us know what he expects us to achieve this year. I challenge everyone in the District to rally around and embrace Governor George's plan.

At the prayer breakfast on Sunday morning (always a highlight of the convention), Reverend Wesley Coffey,

Senior Pastor of the Owosso Wesleyan Church, delivered an inspirational message centered around "who are we and what are we doing here?". I was so moved by his message, that I keep having reoccurring thoughts and reflections on his words. The value of his message alone was worth the cost to attend the convention. As a Kiwanian I know the answer to his message: I'm a Kiwanian. I'm here to serve and help others less fortunate than myself. Aren't we all?

Rick's Outlook — A Message from the Executive Director

DISTRICT CONVENTION

The tremendous success of another great convention, the 85th of the Michigan District has come and gone. The Radisson Hotel and Lansing Center was a great location for obliging 642 registered participants. Special thanks to Convention Chair Chuck Kincaid, to the Host Committee of Divisions 16 & 18, and to all of the workers and Chairs of Registration, Credentials, Program Book, Hospitality, Exhibits, and Flowers and Decorations, along with everyone else that helped. A successful convention requires unselfish volunteers with a dedication to the jobs at hand and that was ever so apparent - Thanks All!

District By-laws mandate that the Executive Director make a report of the convention to the Clubs and to Kiwanis International. This has been done, and I trust your Club President or Secretary has shared with you the highlights, including the actions taken at both Delegate Sessions. All resolutions passed, while amendment #1 (\$3 dues increase, with \$2.00 set aside in convention fund only) passed, and amend-

Richard Simpson

ment #2 was withdrawn by board action prior to the delegate session. See page four of this publication for highlights of the two board meetings that took place at the convention. A complete and updated version of The District By-laws was mailed as part of the District directory mailing to the club secretary at the end of September.

As you can see, fun, fellowship, and a sense of controlling your Kiwanis organization can be achieved by attending a convention. Two such opportunities await you next year, make plans now for the 2003 Int'l Convention being held in Indianapolis, IN & the 2003 District Convention in Gaylord, MI.

FALL LEADERSHIP CONFERENCES

Another opportunity to join in fun, fellowship and to learn all about your role in the Kiwanis organization is fast approaching. The Fall Leadership Conferences are that opportunity. A mailing was sent to all club secretaries describing this important beginning of the fiscal year event, with information on

WHERE's the CLUB RATING PLAN?!

At the August 18th Board Meeting the Trustees (the first for 2002-2003 Division Lt. Governors) again took up the issue of having the Club Rating Plan posted on the web site and decided to leave the Club Rating Plan out of the "Builder" and continue to have it available through the District web site. This decision is the continuation of steps in achieving what many other Districts already enjoy, a very active web site to retrieve vital information and a move to a paperless administrative process. The entire "Builder" is also available for viewing on the web site a week or two before you receive it by snail mail along with other valuable information such as on-line Fall Leadership Conferences registration. Have comments about the web site (www.michigankiwanis.org) or want other information posted on the web site, just inform your Lt. Governor about it or contact your District Office.

Cambridge Police Get Wired Thanks to Onsted Kiwanis Club

President David Dixon of the Onsted Kiwanis Club presented Chief Larry Wibbler a check for \$900.00 dollars. The Onsted Kiwanis Club purchased a new Motorola Hand held police radio for the Cambridge Twp Police Dept. This High Tech state of the art radio will be used to replace one of the worn out emergency radios used by the Cambridge Twp Police Dept. The Onsted Kiwanis Club used funds from one of the major fund raising events that take place throughout the year. Chief Wibbler provides communications for the Kiwanis Club for the Snowmobile Grass Drags and the recent highly successful Car Show held at Michigan International Speedway this month. President David Dixon is a former 30-year veteran of law enforcement including the Cambridge Twp Police Dept and the Lenawee County Sheriff Dept. Communications is extremely important between the events and emergency services and the use of this new radio will help in the event of an emergency.

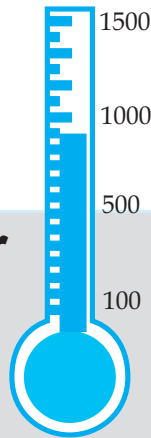

This is the first phase of a two-part program being utilized to the emergency services in the Cambridge Twp area. 13 AED portable defibrillators have been ordered at a cost of \$2500.00 each. But that is another story for another day.

signing up. This year three conferences have been scheduled: October 12 at the Holiday Inn in Mt. Pleasant, October 19 at the DoubleTree Hotel in Novi and October 30 at the Crowne Plaza Hotel in Grand Rapids. Club presidents are you confident that your members are prepared and trained to assist you this year? If not you should schedule them to attend one of these sessions, they will come away knowing how to manage their particular aspect of your club activities. All Kiwanians are welcome and should make every attempt to attend this educational opportunity. At \$30 each, these sessions are a bargain, so be sure to sign up your entire club and show Governor George that you can "Search Out Service", I'll see you there.

FIRST HALF DUES

And Finally, remember first half dues of \$14.00 per member are due. Help the District office keep the administrative burden at its lowest level possible and send your payments promptly.

TODAY

Today we have higher buildings and wider highways, but shorter temperaments and narrower points of view.

We spend more, but enjoy less. We have bigger houses, but smaller families. We have more compromises, but less time. We have more knowledge, but less judgment. We have more medicines, but less health.

We have multiplied our possessions, but reduced our values. We talk much, we love only a little, and we hate too much.

We reached the Moon and came back, but we find it troublesome to cross our own street and meet our neighbors. We have conquered the outer space, but not our inner space.

We have higher income, but less morals - These are times with more liberty, but less joy; With much more food, but less nutrition...

These are days in which two salaries come home, but divorces increase. These are times of finer houses, but more broken homes.

That's why I propose that as from today:

You do not keep anything for a special occasion, because every day that you live is a special occasion. Search for knowledge, read more, sit on your front porch and admire the view without paying attention to the needs.

Pass more time with your family, eat your favorite food, visit the place you love.

Life is a chain of moments of enjoyment. It isn't only survival.

Use your crystal goblets. Do not save your best perfume, and use it every time you feel you want it. Take out from your vocabulary phrases like "One of these days" and "someday".

Let's write that letter we thought of writing "One of these days."

Let's tell our families and friends how much we love them. Never pass up a chance at adding laughter and joy to your life. Every day, hour, and minute are special... And you never know if it will be your last...

Just remember that "one of these days" can be very far away, and you may not be there to see it -

Interclubbing

An interclub is when four members of one Kiwanis club visit another Kiwanis club meeting. Interclubbing has been a valuable part of Kiwanis for many years. The benefits gained from interclubbing are many. First, the ride sharing provides a great opportunity to get to know your own club members better. It can also be used as a meeting to discuss upcoming events. The club visited offers many good experiences. Renewing old friendships, observing how their house committee prepares the meeting site, and how their reception committee greets you. How they create fun and fellowship, the operation of the sheriff. Did they have a good program? Also observing how they conducted their meeting and how the president and secretary work together.

When your club visits all of the other clubs in your division, it is called a ROUND ROBIN: When a club visits one club in each division of the district, it is called a DISTRICT ROUND ROBIN. At Spring Divisionals the District awards banner patches for successful round robins.

2003 Kiwanis International Convention - Indianapolis

Weighting in at 5,000 pounds, this sculpture representing "Serving the Children of the World" is set against the backdrop of the International Office in Indianapolis and its giant Kiwanis logo. At least 100,000 passing interstate travelers see the sphere daily – and you will see it, too, when you visit the International Headquarters during the 2003 Kiwanis International Convention during one of the breaks in the campaign to elect Past Distinguished Governor Mark Rabaut to the Board position of International Trustee. Posing in front of the sculpture is the newly elected International President Ito Torres and First Lady Alice.

New Club Building

As we look forward to the year under Gov. George Brown's leadership, we have been challenged with a goal of six new Kiwanis Clubs. As your leadership team for the 2002-2003 year, we believe this goal – approved by President Ito Torres – is very attainable.

As the Lt. Governor visits your division, you may think of several places where a new club can be formed. We need to make an initial visit to determine whether or not it is feasible to start a club in that location and if there is strong enough interest to do so. Plus, before getting too serious, we should find out if there is an established club that is willing to put forth the effort to start a new one.

There has to be a strong support base when starting a new club because there is a lot of ground work to be done. It is impossible for one person to start the six new Kiwanis Clubs that Gov. George has set as a goal. Therefore, we need all of you to help.

Why do we want to start new Kiwanis Clubs? One of the main reasons is to offer more service and to help more children in our community. Along with building the new Kiwanis Clubs, there are several clubs that need some "encouragement" work. It is never desirable to see a club struggle with the possibility of folding.

We have two options when it comes to helping these clubs continue serving their communities. We can stand by and do nothing, which will result in the club's demise (which we should all feel bad about). Or, we can help by having a membership blitz. Often, just a little encouragement goes a long way. There are Kiwanis Clubs in each of our divisions that need our help.

We all understand that the more members we have, the more service we can provide to our communities. Let's all do our part to help Kiwanis grow.

Plucked from Club Newsletters

KiwaniTalk

Ten years ago, the Kiwanis Club of Dearborn began producing a half hour television show we call KiwaniTalk. This program began with only a Dearborn audience (approx. 98,000 population) but has since expanded to serve 11 other nearby communities. The program features items of helpful information and interest, such as tax tips at tax time, gardening tips in the spring and fall, a report on senior services available...in fact, we cover most every subject of local interest. On June 27, 2002, a milestone was reached as we produced our 500th show.
